We Can Shape It. ●

IN CASE OF FIRE

1. Announce an alarm (shout fire, press fire alarm button, call emergency numbers).
2. Ensure your personal safety and help with rescue and evacuation if you do not endanger your own life.
3. If possible, try to extinguish the fire using fire-fighting equipment (fire extinguishers, etc.).
4. If the fire can not be extinguished by yourself, keep calm and continue with evacuation to the meeting point (see map).
5. Follow instructions of the fire brigade and members of our preventive fire marshalls.

IN CASE OF ACCIDENT

1. Give first aid to the injured person and call for help if needed.
2. Move the affected person to the nearest safe place.
3. Continue with first aid and wait by injured person until the rescue arrives.
4. Contact the nearest employee of MORAVIA CANS a.s.
